Access Code: 2334 645 3190

*This is a draft agenda, and times and topics are subject to change at the discretion of the TC Chair and staff.*

1. Welcome/Review agenda (*A. Galvan*) 1:00 p.m.
2. Discuss Recreational Demand Model Configuration and Develop Recommendations (*A. Galvan, T. Bauer*) 1:10 p.m.
  - How many years of data should be incorporated in the average catch-per-trip?
  - How, if at all, should current year preliminary data be used in the model?
  - Discuss confidence intervals
  - Discuss an acceptable range around the percent reduction/liberalization that states must achieve
  - How often should these decisions be reviewed?
3. Discuss Recreational Measures Setting Process and Timeline (*A. Galvan, T. Bauer*) 2:50 p.m.
  - Review timeline and consider potential adjustments
  - Discuss potential improvements to process of determining measures with modelers
4. Other Topics to Discuss if Time Allows (*T. Bauer*) 3:30 p.m.
  - Discuss considerations for setting mode-specific measures
  - Discuss how to adjust measures after a Wave 1 fishery in the future
5. Public Comment 3:50 p.m.
6. Adjourn 4:00 p.m.

*Note that these recommendations will be guidelines for future use of the model when setting measures. They are not intended to be requirements written into the Fishery Management Plan.*
