Dear Mike:

A copy of the Environmental Assessment, Regulatory Impact Review, and Regulatory Flexibility Act Analysis for the Chub Mackerel Amendment is attached. This amendment proposes adding chub mackerel to the Mackerel, Squid, and Butterfish Fishery Management Plan as a stock in need of conservation and management.

A copy of this document was also sent to Doug Christel and Alyson Pitts of your staff via e-mail. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "C. Moore".
